Buffalo Langostino Lobster Bruschetta

Don't let the sound of this Buffalo Langostino Lobster Bruschetta intimidate you. It's an easy recipe and affordable too when you use langostino lobster.

Consumers are attracted to using langostino lobster for two main reasons size and cost. The size of the langostino tail is ideal for cooks looking for bite size portions of meat. Moreover the price of langostino lobster is well under half the price of lobster.

As far as am concerned, they taste and eat pretty much the same and are perfect in this bruschetta recipe.

Langostino lobster is an affordable alternative to higher priced shellfish, and can be used in any recipe that calls for lobster, shrimp or crab.

How To Make This Buffalo Langostino Lobster Bruschetta

Start making this Buffalo Langostino Lobster Bruschetta by first toasting some really good crusty Italian bread spread with some really good pesto store bought or homemade. Next simmer the butter and Franks Hot sauce on low heat, stirring constantly.

The recipe takes advantage of what's in the refrigerator the only must have ingredient is eggs, after eggs than it's pretty much what you have on hand. That's one of the best things about frittatas, you can make them different depending on your life style and taste.

Growing up Frittata was a staple. It was what my mother made for us and any gathering where a food was required. And food is required at every Italian gathering. It was called Frittata of the Day on the menu, and that's just what it meant, I did have my favorites though, and this combination of eggs, spinach, potatoes and parmesan cheese was and still is one of my absolute favorites.

Things to know about this Spinach Potato Frittata recipe

This Spinach Potato Frittata is an egg- based Italian dish, similar to an omelet or crust less quiche. Growing up this Spinach Potato Frittata was a staple.

I have to admit am not a fan of runny yolks, I like my eggs scrambled. frittatta are like scrambled eggs, enriched with added ingredients, like meat, cheese, or vegetables.

A frittata is is like an unfolded omelet, It is cooked slowly over low heat, while an omelet is cooked quickly over higher heat. One important thing the right size pan is important when your cooking a frittata or an omelet.

Here is a link to a beautiful 10 inch saute pan prefect for

an omelet or for this Spinach potato Frittata recipe, now back to the difference between frittata and omelets.

Whereas omelets are served straight from the stove hot, frittata's are often times served at room temperature. Making them perfect to make ahead for bunches, gatherings, picnics or anytime you want quick, easy and delicious. If you like frittatas Try my easy garden frittata

Easy Classic Italian Bruschetta with Tomatoes and Basil

Easy Classic Italian Bruschetta with Tomatoes and Basil

This Easy Classic Italian Bruschetta with Tomatoes and Basil is one of my favorite Summertime recipes, that will leave you craving more. Is it just me, or do some of you get excited about tomato season?

This year am really excited, we had all our grass removed, on one side we put in an outdoor kitchen on the other raised vegetable beds. I planted different varieties of tomatoes, herbs, squash and assorted lettuces, so when I see flowers turn into tomatoes, I start thinking about tomato recipes.

This tomato salad topped toast is without a doubt my favorite

go to summer appetizer, top it with chopped grilled chicken or shrimp and you have lunch or dinner served on toast, how easy is that.

I used crusty Italian sour dough, but most breads work well with this, except for sweet bread. I've made it with gluten free bread, it was delicious. you can't go wrong with the combination of heirloom tomatoes, garlic and basil, make it when it's tomato season and a simple dish is Bon Appetite magazine worthy.

Tips when making Easy Classic Italian Bruschetta with Tomatoes and Basil

First, and the most important of the three, since this recipe consists of mainly tomatoes use the best you can find.

Second, the other main ingredient is the bread, so although this recipe works well with other breads, my absolute favorite is Crusty!!! And third don't compromise on the olive oil, use extra virgin to get restaurant quality flavor. Another thing whenever I toast, roast, broil or air fry small quantities of food I use my Cuisinart toaster/fryer oven, it saves time and energy, in fact I use it more than my wall ovens.

One more thing if you make this recipe please leave me a comment and don't forget to tag me on Instagram. Hearing from you is my favorite part!!! And if you need more easy appetizer recipes try my spicy roasted garlic bread

Summer Tomato Zucchini Bake

Summer Tomato Zucchini Bake

Here we are it's the middle of June and my garden is starting to buzz not only with bees, but with zucchini and tomatoes, so at this time of year Am always thinking of new ways to use them.

Introducing Summer Tomato Zucchini Bake, layered with cheese, marinara and just picked ingredients from the garden. It's easy to plant and grow the ingredients for this easy recipe, but if you don't have a garden store bought works.

I love the idea of being able to go in the garden and pick a tomato or herbs for a recipe. In all the restaurants we always found a spot for herbs, even if they were mixed in with the red geraniums.

Okay, so back to the recipe it's an easy recipe that uses few ingredients, is perfect for this time of year when the tomatoes and zucchini are at they're peak, and your family and friends are going to love it!!!

How To Make Summer Tomato Zucchini Bake

Making this Summer Tomato Zucchini Bake is easy and the prep is super quick. Start by washing and slicing the tomatoes and zucchini, I sliced the zucchini in round shapes about 1/2 inch thick you can slice them length wise if the shape fits your casserole dish better.

If your using store bought zucchini bigger is not necessarily better, the bigger ones tend to have more seeds and less flavor, choose small to medium size ones with a shiny unblemished skin.

Layer the ingredients in the same way you would a lasagna,

beginning with the marinara and ending with the cheese.

I used my homemade marinara you can use whatever you like, but if you would like to make your own, here's how, in a large pot with 2 tablespoons each of butter and olive oil saute 1 bunch of chopped Italian parsley, 1 onion and 2 tablespoons of garlic until tender and just beginning to brown then add 2 15 oz. cans chopped tomatoes, 2 cans tomato sauce and 1 can of water simmer covered 2 hours add 1 bunch chopped basil last 15 minutes.

This marinara sauce was a staple in the restaurants and now in my home kitchen this one sauce is the beautiful beginning of many delicious recipes. Both the marinara and the Tomato Zucchini Bake can be frozen for ready made meals.
