Pizza di Scarola is a classic Italian savory pie filled with tender escarole, garlic, olives, capers, and anchovies, all wrapped in soft pizza dough. Rooted in Neapolitan cooking, this humble dish has been made for generations using simple pantry ingredients and seasonal winter greens.

Traditionally, **Pizza di Scarola** is prepared during the **Christmas season and enjoyed through Epiphany**, when Italian families gather to mark the close of the holidays. Its balance of bitter greens and savory flavors reflects both the season and the rhythm of Italian home cooking, making it a recipe that feels just as comforting today as it did centuries ago.

Often served warm or at room temperature, this savory pie is meant to be shared—whether as part of a holiday table or as a simple, satisfying meal any time of year.

Things to know about this Pizza di Scarola: Classic Italian Savory Escarole Pie

- **Escarole is traditional.** Its mild bitterness balances the salty olives, capers, and anchovies that define this classic pie.
- **Substitute greens, if needed.** While escarole is the authentic choice, endive, broccoli rabe, Swiss chard, or spinach can be used when escarole isn't available. Always blanch and squeeze the greens very dry to prevent a soggy filling.
- **Anchovies melt into the filling.** They don't make the pie taste fishy—just deeply savory. You can omit them if preferred, but they are traditional.
- **Make it ahead.** Pizza di Scarola is often prepared in advance and served warm or at room temperature. In fact, the flavors improve after resting.
- **Use pizza dough, not pastry.** This is a bread-style pie, not a puff pastry tart—keeping it rustic and true to its Neapolitan roots.
- Serve Pizza di Scarola as part of an Italian spread alongside a **simple citrus salad**, a bowl of **Italian wedding soup**, or one of my **easy Italian cookies** for dessert. It also pairs beautifully with other traditional recipes often served during the holiday season or for casual family meals.

Pizza di Scarola (Italian Escarole Pie)

Pizza di Scarola is a beloved Southern Italian savory pie traditionally enjoyed during the holidays, especially Christmas Eve, but it's delicious any time of year. A flaky, golden pastry encloses a flavorful filling of sautéed escarole, garlic, olives, capers, raisins, pine nuts, and anchovies, creating the perfect balance of savory, sweet, and briny flavors. This rustic Neapolitan classic can be served warm or at room temperature as an appetizer, light lunch, or side dish.

For the dough

- 1 lb pizza dough (store-bought or homemade), at room temperature
- Extra virgin olive oil, for brushing

For the escarole filling

- 2 large heads escarole, washed and chopped
- 3 tbsp extra virgin olive oil
- 3 cloves garlic, sliced

- 4 anchovy fillets, chopped (optional but traditional)
- $\frac{1}{2}$ cup Kalamata olives, pitted and chopped
- 2 tbsp capers, rinsed and drained
- 2 tbsp pine nuts (optional)
- 2 tbsp raisins (optional, traditional sweet-salty touch)
- Salt and black pepper, to taste
- Red pepper flakes (optional)

1. Prepare the escarole

Bring a large pot of salted water to a boil. Add the escarole and blanch for 3–4 minutes until just tender. Drain well and squeeze out excess water. Set aside.

2. Cook the filling

In a large skillet, heat olive oil over medium heat. Add garlic and sauté until fragrant. Stir in anchovies and let them melt into the oil. Add escarole, olives, capers, pine nuts, and raisins. Season lightly with salt, black pepper, and red pepper flakes. Cook for 5–7 minutes until well combined and flavorful. Let cool slightly.

3. Assemble the pie

Preheat oven to **375°F (190°C)**.

Lightly oil a 9–10 inch round baking pan. Divide dough into two pieces, one slightly larger than the other. Roll out the larger piece and line the pan, letting excess hang over the sides. Fill with escarole mixture. Roll out remaining dough and place on top. Seal and crimp edges. Prick the top with a fork and brush lightly with olive oil.

4. Bake

Bake for 40–45 minutes, or until golden brown and cooked through. Let rest at least 20 minutes before slicing.

Traditionally served warm or at room temperature.

- 1 sheet **puff pastry**, thawed
- 8 oz **mushrooms**, cleaned and thinly sliced

- **salt and pepper to taste**
- 1 tbsp **fresh parsley**, finely chopped

5. Bake

Bake for **18–22 minutes**, until the pastry is puffed and deep golden and the cheese is melted and bubbly.

Growing up, fried calamari was a true family affair. My mama always bought whole squid and cleaned every single one by hand – separating the tentacles, pulling out the quill, and rinsing everything until it was spotless. I can still see her at the sink, humming while she worked, making sure each ring would fry up perfectly tender.

These days, we're lucky. Most grocery stores and fish markets sell **calamari already cleaned** – tubes and tentacles prepped and ready to slice. And while nothing beats the love and tradition of doing it the old-school way, I'll be the first to admit that buying it cleaned makes this recipe come together in minutes instead of an hour.

Fried calamari has also always been a cherished part of our **Feast of the Seven Fishes** celebration – that beloved Italian Christmas Eve tradition where the table overflows with seafood. Whether you make this dish once a year for the feast

or all year long for your family, this recipe brings that same crisp, golden bite we all grew up loving.

Whether you're using ready-to-cook calamari or honoring the way our mamas did it, this classic Italian fried calamari delivers that same crisp, golden bite we all grew up loving.

Things to know about this Best Italian-Style Fried Calamari

- **Dry calamari = crisp calamari.**

Pat the rings and tentacles *really* well with paper towels. Any moisture will make the coating soggy and cause the oil to splatter.

- **The flour mix matters.**

A 50/50 blend of all-purpose flour and semolina gives that classic Italian trattoria crunch. Semolina helps the coating stay light instead of heavy or bready.

- **Keep the oil hot.**

The magic temperature is **350–365°F**. If the oil drops too low, the calamari absorbs oil and turns greasy. Fry in small batches to keep the heat consistent.

- **Fast frying keeps it tender.**

Calamari only needs **1½–2 minutes** in the oil. Any longer and it becomes chewy. Pull it out the moment it turns light golden.

- **Season immediately.**

Sprinkle with a little salt right after frying – it sticks better while the calamari is still hot.

- **Serve right away.**

Fried calamari is best eaten fresh from the fryer. It doesn't stay crisp long, so have your lemon wedges and marinara ready before you start cooking.

Served with fresh lemon wedges and marinara sauce, it's an easy Italian seafood appetizer that's perfect for entertaining, holidays, or a restaurant-quality meal at home.

- 1½ pounds **calamari**, cleaned, **rings + tentacles**
- 1 cup **all-purpose flour**
- 1 cup **semolina flour**
- 1 tsp **kosher salt**, plus more for finishing
- 1 tsp **black pepper**
- ½ tsp **paprika** (optional, for color)
- 1 tsp **garlic powder**

- **Oil for frying** (peanut or light olive oil)
- **Lemon wedges**, for serving
- **Marinara**, for dipping

1. **Prep the calamari**

Slice tubes into $\frac{1}{2}$ -inch rings. Pat rings **and tentacles** completely dry with paper towels. (Drying is key for crispness!)

2. **Make the coating**

In a shallow bowl, whisk together: 1 cup all-purpose flour, 1 cup semolina flour, Salt, pepper, paprika, and garlic powder

3. **Heat the oil**

Pour oil into a heavy pot or deep skillet about 2 inches deep. Heat to **350–365°F**.

4. **Coat the calamari**

Toss the rings and tentacles in the flour–semolina mixture until lightly coated. Shake off excess.

5. **Fry in batches**

Add calamari in small batches so the oil temperature stays stable. Fry **1½–2 minutes**—just until pale golden. (Over-frying = chewy.)

6. **Drain & season**

Transfer to a paper towel-lined tray and sprinkle immediately with a pinch of salt.

7. **Serve**

Braised fennel oreganata with pancetta is one of those simple Italian side dishes that feels both rustic and elegant – the kind of recipe that tastes like it came out of a cozy countryside kitchen. Fennel is one of my favorite seasonal ingredients to cook with this time of year. When it's in season, it's sweet, aromatic, and incredibly versatile, and I love finding ways to let its natural flavor shine.

In this dish, the fennel softens into buttery tenderness as it braises, soaking up the richness of pancetta and white wine. Then it gets finished with a crisp, garlicky oreganata topping that adds the perfect contrast of texture. It's hearty enough for chilly winter dinners, yet light enough to pair with almost anything – roasted chicken, fish, or even a simple bowl of polenta.

Seasonal cooking always inspires me to slow down and appreciate ingredients at their best, and this fennel

oreganata is exactly that kind of recipe: unfussy, comforting, and deeply flavorful.

Braised Fennel Oreganata with Pancetta

This Braised Fennel Oreganato with Pancetta transforms humble fennel into a rich, flavorful Italian side dish. The fennel is gently braised until tender, then topped with crispy pancetta and a golden oregano-Parmesan breadcrumb topping for the perfect combination of savory, crispy, and melt-in-your-mouth textures. It's an elegant accompaniment to roasted meats, grilled chicken, or seafood.

For the Fennel

- 3 large fennel bulbs, trimmed and cut into wedges
- 4 ounces pancetta, diced
- 1 tbsp olive oil
- 1 tbsp butter
- 3 garlic cloves, sliced
- $\frac{1}{2}$ cup dry white wine
- 1 cup vegetable or chicken broth
- Salt and black pepper, to taste

For the Oreganata Topping

- 1 cup Italian-style breadcrumbs (or panko)
- $\frac{1}{2}$ cup grated Parmesan cheese
- 2 tsp dried oregano
- 1 tbsp chopped fresh parsley
- 1 tbsp lemon zest
- 2 tbsp olive oil
- Pinch of salt
- Pinch of black pepper

To Finish

- Fresh lemon juice
- Reserved fennel fronds

1. Prep the fennel

Trim the stalks, reserve some fronds for garnish, remove any tough outer layers, and cut each fennel bulb into wedges.

2. Cook the pancetta

Heat a large skillet over medium heat. Add the diced pancetta and cook for 3–4 minutes, until it renders its fat and begins to crisp. Remove half the pancetta pieces with a spoon and set aside for garnishing later, leaving the rest and the fat in the pan.

3. Sear the fennel

Add the olive oil and butter to the pancetta fat. Once melted, add the fennel wedges in a single layer. Sear for 3–4 minutes per side until lightly golden. Season with salt and pepper.

4. Add garlic + deglaze

Stir in the sliced garlic and cook for 30 seconds. Pour

in the white wine and let it reduce by half.

5. Braise the fennel

Add the broth, cover the skillet, reduce heat to medium-low, and simmer for 10–12 minutes, or until the fennel is tender.

6. Make the oreganata topping

In a bowl, mix the breadcrumbs, Parmesan, oregano, parsley, lemon zest, olive oil, salt, and pepper. The mixture should be moistened but crumbly.

7. Broil

Preheat the broiler. Transfer the fennel and its cooking juices to a baking dish (or leave in an oven-safe pan). Sprinkle the oreganata topping evenly over the fennel. Broil for 2–3 minutes, or until golden and crisp.

8. Serve

Top with the reserved crispy pancetta, a squeeze of fresh lemon juice, and fennel fronds.

9. Serving Suggestions

Perfect alongside roasted chicken, baked cod, turkey cutlets, or pork chops

I think cabbage is underrated – and if you saw my last recipe, you know I’m on a mission to prove how delicious it can be. This dish takes humble cabbage to a whole new level. These braised cabbage wedges are seared until golden, then cooked gently until tender, topped with crispy pancetta, caramelized onions, and finished with a silky white wine cream sauce.

It’s rustic, cozy, and full of rich Italian flavors. The cabbage becomes buttery-soft inside but still holds its shape, making it a beautiful holiday or winter side dish. Serve it with roasted meats, chicken, or even your favorite pasta. This is the kind of simple comfort food that surprises everyone.

This dish reheats beautifully, and the flavors deepen even more the next day. You can make the pancetta-onion mixture ahead of time and simply sear and braise the cabbage when you're ready. If you prefer a thicker sauce, simmer it uncovered for a few extra minutes before adding the cabbage back in.

Variations

- **Smoky Version:** Use smoked pancetta or add a pinch of smoked paprika.
- **Cheese Swap:** Try Pecorino Romano for a sharper bite.
- **Add Mushrooms:** Sauté sliced mushrooms with the onions for extra richness.
- **Lighter Option:** Swap heavy cream for half-and-half (sauce will be thinner).

Braised Cabbage Wedges with Pancetta

For the Cabbage

- 1 medium green cabbage, cut into 6 wedges
- Olive oil
- Salt and black pepper

Pancetta & Onion Mixture

- 4 ounces diced pancetta
- 1 medium yellow onion, thinly sliced

Creamy White Wine Sauce

- $\frac{1}{2}$ cup white wine
- 1 cup heavy cream
- $\frac{1}{2}$ cup grated Parmesan
- 1 tsp Dijon mustard
- Fresh thyme or parsley (optional)

1. Prep the cabbage

Cut the cabbage into 6 wedges, keeping the core intact so each wedge stays together. Season with salt and

pepper.

2. Sear the wedges

Heat olive oil in a large skillet over medium-high heat. Add the cabbage wedges, cut side down, and sear until golden brown, about 3–4 minutes per side. Remove from the skillet and set aside.

3. Cook pancetta and onions

In the same skillet, add the pancetta. Cook until crisp, then add the sliced onions. Sauté until the onions are soft and caramelized, about 8–10 minutes.

4. Deglaze with wine

Pour in the $\frac{1}{2}$ cup white wine and scrape up any browned bits from the bottom of the skillet. Let the wine simmer for 1–2 minutes to reduce slightly.

5. Make the cream sauce

Add the heavy cream, Parmesan, and Dijon. Stir until the sauce is smooth and gently bubbling.

6. Return the cabbage

Nestle the seared cabbage wedges back into the pan. Spoon some sauce over the top.

7. Braise

Reduce the heat to low, cover, and cook for 15–18 minutes, or until the cabbage is tender but still holds its shape.

8. Serve

Spoon extra sauce over the cabbage and top with fresh herbs if desired.

I think cabbage is underrated. It's one of those ingredients we often overlook, yet it brings so much crunch, sweetness, and freshness to a holiday spread. While everyone gravitates toward the heavier, richer dishes this time of year, I always find myself craving something bright that cuts through all that indulgence. That's where this Cabbage & Apple Holiday Slaw comes in.

It's crisp, colorful, and so refreshing—shredded cabbage and carrots tossed with thin slices of sweet apple, toasted pecans for warmth, and just enough shaved Parmesan to give it that savory Italian touch. Then everything gets coated in a creamy apple-cider vinaigrette that ties it all together. It's the kind of side dish that not only balances your table but also surprises people with how simple and delicious it is. I make it every year, and there are never leftovers.

Things to know about this Cabbage & Apple Holiday Slaw

This slaw is incredibly make-ahead friendly, which makes it perfect for busy holiday cooking. You can shred the cabbage and carrots, slice the apples, and even mix the dressing a day in advance—just keep everything separate until you're ready to serve. The salad stays crisp for hours after dressing thanks to the sturdiness of the cabbage. You can also swap pecans for walnuts, add dried cranberries for a sweeter touch, or use Asiago instead of Parmesan for a sharper flavor. It's a flexible, crowd-pleasing side dish that fits into any Christmas or holiday menu.

Variations

- **Cranberry Twist:** Add dried cranberries or pomegranate seeds for color and sweetness.
- **Walnut & Blue Cheese:** Use toasted walnuts and crumbled gorgonzola for a bold flavor.
- **Maple Dijon:** Swap honey for maple syrup and add extra Dijon mustard.
- **Creamy Italian:** Add Greek yogurt or sour cream to the dressing and include shaved fennel.
- **Apple & Pear:** Use a mix of thinly sliced apples and pears.
- **Nut-Free:** Replace nuts with pumpkin seeds or sunflower seeds.
- **Savory Version:** Skip the honey and apple. Add red onion, extra vinegar, and red pepper flakes.
