Easy Chicken Piccata

Easy Chicken Piccata

This Easy Chicken Piccata Recipe is so easy and quick, its perfect for family weeknight meals, but fancy enough for weekend dinner with friends.

Melt in your mouth chicken breast in a light creamy, lemony sauce made this recipe a restaurant favorite, I simplified the recipe for the home cook, no worries none of the flavor is lost

What Makes Easy Chicken Piccata Easy???

This Easy Chicken Piccata recipe is so easy on so many levels. First, you only need a few common ingredients. The only ingredient may be not be so common could be the capers

Second, Chicken Piccata is nothing more than fillet chicken breast dredged in flour and saute to a golden deliciousness.

One important thing to remember when sautéing, the saute pan needs to be big enough to cook the chicken to a golden brown.

If the saute pan is too small your chicken wouldn't brown,

you'll end up with chicken that looks like it was boiled instead of sautéed,

we don't want that boiled chicken look in this recipe. We want beautifully browned chicken, so we can deglaze the pan and scoop up

all those delicious browned bits at the bottom of the pan, where all the flavor is!!!!

Ingredients

- 4 skinless boneless chicken breast
- 1/4 cup flour
- 1 cup chicken stock or white wine
- 2 Tablespoons chopped garlic
- 1/2 cup chopped onion
- 2 Tablespoons chopped Italian parsley
- 1/4 cup lemon juice or juice from 2 lemons
- 2 Tablespoons lemon rind
- 1 cup heavy cream
- 1/2 cup capers
- 2 tablespoons butter
- 2 tablespoons olive oil
- Salt and pepper to taste

Instructions

1. Cut the chicken breast into equal sliced pieces
2. Salt and pepper chicken
3. Dredge chicken in flour shaking off excess
4. Heat butter and oil to medium in a large saute pan
5. Saute chicken until golden brown remove and set aside
6. Saute garlic and onion until tender and just beginning to brown
7. Deglaze the saute pan with the chicken broth or white wine

8. Add the cream and lemon juice simmer 5 minutes
 9. Return chicken to saute pan
 10. Add the capers simmer covered 10 minutes
 11. Sprinkle with additional chopped Italian parsley

My Best Holiday Turkey

My Best Holiday Turkey

Ok guys am going to toot my own horn, seriously this is My best Holiday Turkey Recipe It is so good and easy you'll be making it more than just for the Holidays.

I've make a lot of turkeys through out the years. I've tried a few recipes and methods, from brining to cooking it up side down

to basting every 30 minutes and I have to say this recipe is the best.

The turkey is melt in your mouth moist with a hint of fresh citrus taste. I couldn't believe how crispy and beautifully colored the skin was.

My husband who normally isn't as impressed by food as am, couldn't stop raving about how good the turkey was. It was so good that even after three days of turkey everything I was still craving more.

3 Tips when making My Best Holiday Turkey

First, when you make My Best holiday Turkey use a the right roasting pan with a lid it's important to keep the turkey covered until the last 30 minutes to prevent drying the meat.

Second, oven temperatures vary and can effect cooking times if in doubt use a meat thermometer. A turkey is safe to eat when the internal temperature is 165 degrees.

Third, this temperature guide is for an unstuffed turkey, stuffed turkeys are cooked longer at 15 minutes per pound.

I always bake my stuffing in casserole dish along side the turkey, it's easier for serving and just as delicious. One more thing no need

for basting in this recipe, the turkey self bastes from the citrus and butter.

Chicken Piccata Pasta Primavera

Chicken Piccata Pasta Primavera

A light pasta meal, this chicken piccata pasta primavera is a perfect summertime quick family dinner full of classic Italian flavors!!!

Full of lemony freshness this chicken and pasta dish comes together in less than 30 minutes, and your family is going to love it . And you will feel good serving a restaurant quality meal from your kitchen, that's not only delicious, it's healthy too!!!!

Customize this Chicken piccata pasta primavera

This chicken piccata pasta primavera recipe is easy to customize to fit your lifestyle and taste.

The first and easier way to make this pasta dish your own is to change the pasta shape. The truth is most pasta shapes work well in most pasta dish recipes.

Second if your family hates or loves spinach add more or less to taste. I love spinach and add extra most of the time. Spinach is one of those vegetables that ends up being half of the amount you put in after it's cooked. Pasta dishes are also a good place to hide spinach for those that don't have the same fondness for spinach as I do.

Lastly I used chicken stock. You can use white wine instead in his chicken piccata pasta primavera if that's your preference.

Rotisserie Chicken Fettuccini Alfredo

Rotisserie Chicken Fettuccini Alfredo

This easy, creamy classic rotisserie **chicken fettuccine alfredo** meal comes together in less than 30 minutes. It's packed with melt in your mouth chicken and tossed in a creamy sauce, your whole family will love.

I like simple recipes, that come together in less than an hour, but from the looks of the meal we can tell our friends it took hours. And recipes with few ingredients is always a winner. I added spinach to add another depth of flavor and sneak in some green, you don't have too.

It's no wonder most Italian restaurants have fettuccini Alfredo on their menus, not only is it a dine out favorite.

the alfredo sauce can seem daunting, It's not!!!

Variations for rotisserie chicken fettuccini Alfredo

The first variation in this rotisserie chicken fettuccini alfredo is, you don't have to use chicken. If you want to go the vegetarian route a mixture of your favorite mushrooms is a delicious choice, as well as broccoli.

You can use white wine in place of the chicken stock, because I don't drink I give the non-alcoholic version.

I often use wine when cooking, Am okay with that, but for some who aren't there are alternatives, use what feels and tastes good to you, it doesn't change the flavor enough where people notice. No matter what you use be sure to use the freshest and best ingredients you can find. It takes the recipe from so-so to **WOW!**

Also be sure the saute pan you use is big enough to hold the sauce it's best to use a covered, deep, wide enough saute pan.

Serve it up in pretty white dinner plates add some festive napkins and you have a restaurant quality dinner, that comes together in 30 minutes, is quick and easy for family weekday dinners and just fancy enough for special occasions.

Serve this delicious restaurant inspired dinner with your favorite bubbly and a crisp green salad for a romantic Saturday night dinner or Holiday meals with family and friends...
