

Leftover Rotisserie Chicken Orzo Soup

Leftover Rotisserie Chicken Orzo Soup

Nothing says comfort food louder than Mom's chicken soup. This leftover Rotisserie Chicken Orzo Soup tastes homey and only takes 15 minutes from start to finish.

Am always looking for ways to use rotisserie chicken. This easy, quick chicken soup recipe doesn't use the carcass, instead to keep it extra easy I used chicken stock.

The recipe starts with the trilogy of chicken soup making, carrots, celery and onion. Then, I saute the orzo pasta to add a little bite to this rice shaped pasta. And I only use the chicken breast only because it's my personal preference. You can use any part of the chicken that fits your lifestyle and taste.

3 Variations For Leftover Rotisserie Chicken Orzo Soup

The first change you can make to this Leftover Rotisserie chicken is you can use the chicken legs if that's what you like or a combination of both white and dark meat.

Second if your family cringes at spinach or anything that resembles it, this chicken soup is so full of flavor you won't miss anything by leaving it out.

And third if your using chicken stock it's a good idea to use

one that's low in sodium, since most rotisserie chickens content high sodium levels.

Lastly this soup freezers well in freezer friendly containers. Sometimes I purposely double the recipe to freeze and defrost when I need a ready made meal.

One more thing please leave me a comment when you make this semi-homemade Leftover Rotisserie Chicken Orzo recipe. I love hearing from you, it's my favorite part!!

Pasta Dish With Chicken

Pasta Dish With Chicken

This Pasta Dish With Chicken is a simple recipe that comes together in about thirty minutes and the best part it's make in one pan. It's one of those pasta recipes that combines my two favorite ingredients, chicken and pasta.

Corkscrew shaped pasta, juicy chicken breast, tangy sundried tomatoes, and mild tasting spinach, in a cheesy, pink cream sauce full of Italian flavors make this a family favorite.

Pasta recipes can easily be made healthy and lower in calories with some smart ingredient measurements and additions or subtractions of ingredients, that fit your lifestyle and taste.

Customize This Pasta Dish With Chicken

It's easy to make this Pasta dish With Chicken fit your lifestyle and taste.

For instance if you don't like chicken you can use shrimp and if you hate spinach you can use broccoli. And if you want a lighter version of this Pasta dish with chicken leave the bacon out and add 1 more Tb. of olive oil.

The pasta shape doesn't matter, although I like the wiggly

shape of fusilli I find it holds the sauce better in this recipe.

Whether you use store bought or homemade marinara is a personal presentence. For me my easy homemade marinara is one of the ingredients I always have on hand , if you don't use a good quality store bought marinara.

Remember too, when sautéing the pan and oil need to be smoking hot, you need to hear the sizzle. Also the saute pan needs to be big enough when your doing one pan cooking with a lot of ingredients.

The idea is to have fun experimenting with different ingredients until you come up with something that taste good to you.

I hope you make this restaurant quality Pasta dish With Chicken and please don't forget to leave me a comment. I love hearing from you it's my favorite part!!!!

Easy Classic Chicken Potpies

Easy Classic Chicken Potpies

These Easy Classic Chicken Potpies are made real easy by using store bought pie crusts Sure homemade everything is almost always better. But if you don't have the time or the patience for homemade piecrust there is nothing wrong with going the semi homemade route.

In this chicken potpie recipe I used the frozen pie crust from Trader Joes. You can use whatever brand you like or go homemade if you want. Precooking the pie crust is always a good idea, if you don't want a soggy bottom crust.

This Easy Classic Chicken Potpie recipe is full of tender chicken breast and good for you ingredients full of comforting familiar flavors everyone loves!!!

Things To Know About this Easy classic Chicken Potpie Recipe

First you don't have to use chicken breast in this Easy Classic Chicken pot pie recipe. You can use skinless, boneless chicken thighs if that's what you prefer.

Second I baked these chicken potpies in oven proof soup bowls for individual servings.

I love this soup bowls they go from oven to table to dishwasher OOHhh happy day with less dishes to wash and they are the perfect size for soups and cereal too!!!

The other thing is you need the right size saute pan hold all the ingredients. There's nothing worst than having a pan that doesn't hold the ingredients.

Not only do you end up with ingredients stilling out of the pan onto your stovetop but the food doesn't cook right. A too small saute pan produces boiled ingredients instead of the distinct flavor of sautéed food. A 12 inch nonstick covered saute pan is essential in any kitchen.

Just one more thing if you make this Easy Classic Chicken Potpie recipe please leave e a comment and please tag me on Instagram with your creations. I love hearing from you it's my favorite part!!!

Air fryer Chicken Parmesan Sliders

Air fryer Chicken Parmesan Sliders

These Air Fryer Chicken Parmesan sliders are not your typical sandwiches. No, this little sandwiches are bursting with melt in your mouth parmesan chicken tenders, marinara, and oozing with cheese. Our first eatery was a hole in the wall submarine sandwich sub, and this chicken parmesan sandwich was one of the top sellers.

Many years later it's still the same ingredients, but I've lightened it up by using my air fryer, instead of frying the chicken in oil. Like I said many times before my Toaster Oven/ Air fryer is my most used small kitchen appliance.

3 Tips When Making Air fryer Chicken Parmesan Sliders

When making these Air fryer Chicken Parmesan Sliders you can use chicken tenders or the less expensive whole chicken breast.

But if you are using the full breast be sure to cut them the same size for even cooking. Second, don't crowd the fryer basket, leave enough room between the chicken for the air to circulate for even browning.

Third, if you want a crisper crust spray the chicken with oil spray. I didn't use any oil spray in this recipe. Just one more thing ,

please leave me a comment if you make this recipe and please don't forget to tag me on Instagram. I love hearing from you, it's my favorite part!!!!
