Vegetarian Eggplant Zucchini Fusilli

Vegetarian Eggplant Zucchini fusilli

Good morning, It's meatless Monday in my kitchen today with this Vegetarian Eggplant Zucchini Fusilli. Cork screw shaped pasta, good for you ingredients, in a light tomato pan sauce, will have you making this pasta recipe often.

I usually make this in the summer when my garden is bursting with more eggplants and zucchinis than I have recipes for, but the eggplant looked beautiful at the store and I was craving Italian but also wanted a lighter meal after heavy holiday eating.

Personalize This Vegetarian Eggplant Zucchini Fusilli Recipe

You can make this Vegetarian Eggplant Zucchini Fusilli recipe your very own, to fit your lifestyle and taste, by changing up a few things.

For instance, the pasta shape if you don't like fusilli use any shape you like. Having said that I have to say, I love short pasta in this recipe verses long, with short pasta you get a taste of all the delicious ingredients in one

forkful.

Also the eggplant and zucchini ratio can be changed. If you like zucchini more than eggplant than use more zucchini or vice-verse.

One more thing you can try, if your craving gooey cheese goodness add 1 cup of shredded mozzarella along with the parmesan cheese for a richer pasta dish.

I almost forget, the canned tomatoes can be switched, you can use fresh tomatoes when in season or you can use prepared marinara sauce, the best store bought or my easy homemade marinara.

on a side note, always use the right size pans for ultimate success in your home kitchen. One good basic set of pots and pans is all you need to cook restaurant style recipes at home.

A frittata is is like an unfolded omelet, It is cooked slowly over low heat, while an omelet is cooked quickly over higher heat. One important thing the right size pan is important when your cooking a frittata or an omelet.

Vegetarian Chickpea Broccoli pasta

Vegetarian Chickpea Broccoli pasta

This vegetarian chickpea broccoli pasta is the best recipe to make when your craving Italian, and want quick and easy too. Pasta, chickpeas and broccoli are tossed in a light creamy, garlicky sauce, full of delicious summer flavors. When you need an easy 30 minute dinner make this vegetarian pasta. It's comfort food with a light and summery taste.

OK, so I know I post a lot of pasta recipes, but pasta is so versatile, you could have hundreds of combinations. At the restaurant on the menu, you pick, your pasta shape, sauce, and

any extra add-ins.

By some estimates there are 600 distinct commercial brands of pasta shape, hundreds of sauces, endless vegetables and protein combinations.

That's why I post a lot of pasta recipes, when am stuck for a dinner idea it's Pasta to the rescue.

Things to know about this vegetarian chickpea broccoli pasta recipe

Start by boiling your fettuccine according to package instructions, and toss in the broccoli during the last few minutes of cooking until just tender. Don't forget to reserve at least 2 cups of pasta water before draining—this starchy “liquid gold” helps bring the whole dish together.

Why save pasta water? It's naturally rich in starch, which thickens and binds sauces beautifully, adding flavor and a silky texture—no heavy cream needed. Always save more than you think you'll need!

Sauté the onions and garlic until tender and just beginning to brown before adding the chickpeas , be sure the saute pan is big enough to hold all the ingredients without crowding.

If the saute pan is too small you wouldn't get that beautiful golden color instead the food ends up looking like it was boiled instead of sauteed.

Then put the rest of the ingredients in the pan scraping up all the brown bits, simmer for 10 minutes. The recipe says to reserve 2 cups of water but I know it only calls for 1, that's because I always like to save more than I need in case the sauce is too thick.

The other thing is the chickpeas and broccoli can be roasted then added to the sauce at the same time as the pasta. When I use this method which I do often

I use my Cuisinart toaster/airfryer to a quick and economical alternative to turning on my large wall oven. If you like easy vegetarian pasta recipes try my vegetarian orzo with asparagus and peas a quick recipe make in one pan.

Easy Classic Italian Bruschetta with Tomatoes and Basil

Easy Classic Italian Bruschetta with Tomatoes and Basil

This Easy Classic Italian Bruschetta with Tomatoes and Basil is one of my favorite Summertime recipes, that will leave you craving more. Is it just me, or do some of you get excited about tomato season?

This year am really excited, we had all our grass removed, on one side we put in an outdoor kitchen on the other raised vegetable beds. I planted different varieties of tomatoes, herbs, squash and assorted lettuces, so when I see flowers turn into tomatoes, I start thinking about tomato recipes.

This tomato salad topped toast is without a doubt my favorite go to summer appetizer, top it with chopped grilled chicken or shrimp and you have lunch or dinner served on toast, how easy

is that.

I used crusty Italian sour dough, but most breads work well with this, except for sweet bread. I've made it with gluten free bread, it was delicious. you can't go wrong with the combination of heirloom tomatoes, garlic and basil, make it when it's tomato season and a simple dish is Bon Appetite magazine worthy.

Tips when making Easy Classic Italian Bruschetta with Tomatoes and Basil

First, and the most important of the three, since this recipe consists of mainly tomatoes use the best you can find.

Second, the other main ingredient is the bread, so although this recipe works well with other breads, my absolute favorite is Crusty!!! And third don't compromise on the olive oil, use extra virgin to get restaurant quality flavor. Another thing whenever I toast, roast, broil or air fry small quantities of food I use my Cuisinart toaster/fryer oven, it saves time and energy, in fact I use it more than my wall ovens.
