Easy Mediterranean Puttanesca pasta salad is a bold and zesty classic, combining the briny, savory flavors of traditional puttanesca sauce with the ease of a chilled pasta salad. **This Easy Mediterranean Puttanesca Pasta Salad** sauce might have a scandalous past, history has it was made by prostitutes, for its powerful aroma, used to draw customers.

I don't know how much is fact and how much is fiction, I love the history behind the recipe.

I know growing up we referred to it as the sauce of the prostitutes. The combination of garden fresh tomatoes, anchovies, olives and capers, gives this Puttanesca sauce a robust rich flavor, with aroma that still draws people to a different room,... The kitchen.

I like simple recipes, that come together in less than an hour, but from the looks of the meal we can tell our friends it took hours. Serve it up in pretty white dinner plates add some festive napkins and you have a beautiful table and meal, that comes together in 30 minutes, is quick and easy for

family weekday dinners and just fancy enough for Saturday date night.

It's a simple raw sauce with bold flavors, created by strong flavored ingredients.

## **Things to know about this Easy Mediterranean Puttanesca Pasta Salad**

I used large shells, in this puttanesca pasta recipe you can use any shape pasta you like, even gluten free, also I used kalamata olives, I love their pungent taste.

Traditionally the olives used by mother were picked on our family farm in Tuscany, she would cure them in a salt and water solution she changed every few days, for weeks.

until the bitterness was drawn out. They went from a shiny purple to a shriveled up olive, she marinated in olive oil, garlic, orange rind, and red pepper flakes, they were delicious and time consuming.

Although you can customize this recipe to fit your lifestyle and taste, it's important in this recipe to use flavorful olives, and don't omit the anchovies this raw sauce needs the salty goodness they provide. One more thing, you should use albacore tuna.

I hope you try this and the part I like best....Let me know how you liked it!!!!

## **Ingredients**

- 1/2 lbs. large shell pasta cooked according to package directions (el Dente) reserve 2 cups of pasta water before draining

Unlike regular spaghetti sauce , fra Diavolo sauce is spicy. How spicy depends on your taste. It's also thicker and more concentrated. And although its loaded with flavor the ingredients are simple.

Unlike Arrabiata sauce , which is also spicy, fra Diavolo sauce never includes basil or capers, and is usually paired with shrimp.

I like to serve this with crusty Italian bread to sop up all the delicious sauce, or pasta for a complete satisfying meal.

## **Italian Pesto Fusilli pasta Salad**

## **Italian Pesto Fusilli pasta**

# Salad

Just in time for Summer barbeques this Italian pesto Fusilli pasta salad is one of my old time favorites.

The first time I had this cold pasta salad was at one of my brothers outdoor get togethers. He and his wife Josie were great chefs, who entertained often in their home and the many different restaurants they owned and my leader in our own restaurant career and an inspiration in my recipes.

Back to this Italian rooted pesto fusilli it needs to be one of your go to pasta Summer pasta salads. Spiral shaped pasta coated with your favorite pesto sauce loaded with ingredients full of Italian flavors!!!

## Three Tips when you make this Italian pesto fusilli pasta salad

The first tip when you make this Italian pesto fusilli pasta salad in this recipe the shape of the pasta as well as the quality is important. I use DeCecco fusilli the spirally shape as nooks and crannies for the pesto sauce.

Second you can use store bought or homemade sauce. If your going to use store bought go with a good quality. I use homemade whenever I can it's one of the staples I try to keep in my freezer year. If you want to go the store bought route this is a good alternative. <https://amzn.to/3a0ECZa>

Lastly run the fusilli under cold water to stop the cooking process and cool of the pasta before adding the rest of the cold ingredients.

One more thing this salad can be served cold or at room temperature.
