This delicious meal takes traditional spaghetti and turns it into a savory pie. Spaghetti pie, often made with a filling of cooked pasta, cheese, eggs and sometimes cured meats is a dish that many Italian -Catholic families traditionally prepare and eat around Easter.

The pie is often made on the day before Easter and served at noon to signify the end of Lent and the breaking of the fast. I usually make this spaghetti pie each year as it is a family traditional .

## Variations for this Spaghetti frittata Easter pie

Here are three variations Of spaghetti frittata Easter pie, based on regional traditions.

1. Neapolitan: A classic from Naples, this version is often made with leftover pasta and a mix of Pecorino Romano and parmesan. Some families add a touch of tomato sauce for color and extra flavor.
2. Southern Italy : In Calabria and Sicily, this dish might include a mix of cured meats like soppressata , capicola, along with a generous amount of cheeses . I am using this version in this recipe.
3. Ricotta and sausage Easter pie: A richer version found in some Italian -American kitchens, this variation swaps

salami for crumbled Italian sausage and adds ricotta cheese for a creamier texture.
