

Roasted Grape Pizza

Roasted Grape Pizza

Pizza has come a long way since our days in the Pizza business. Back then Canadian bacon and pineapple toppings on pizza were a novelty.

Now there are as many different pizza toppings and combinations as there are people who love pizza.

This Roasted Grape Pizza may sound like an unusually mix of ingredients but it all comes together with the most delicious flavor.

Roasting the grapes sweetens them and releases their juices producing a sweet, syrupy pizza sauce. Mix the sharp bite of the gorgonzola with the mild taste of grapes, honey and thyme, add crunchy walnuts and you a recipe for delicious results.

3 things to know About this Roasted Grape Pizza Recipe

The first thing to know about this Roasted Grape Pizza is I used The pizza dough from Trader Joe's you can use any pizza dough you like.

Second any grape works with this recipe, I've used white and it was just as delicious as using the red grapes. Third and one step not to miss is to prebake the crust, so you don't end up with a soggy crust.
