I like simple recipes, that come together in less than an hour, but from the looks of the meal we can tell our friends it took hours. And recipes with few ingredients is always a winner. I added spinach to add another depth of flavor and sneak in some green, you don't have too.

Variations for rotisserie chicken fettuccini Alfredo

The first variation in this rotisserie chicken fettuccini alfredo is, you don't have to use chicken. If you want to go the vegetarian route a mixture of your favorite mushrooms is a delicious choice, as well as broccoli.

You can use white wine in place of the chicken stock, because I don't drink I give the non-alcoholic version.

I often use wine when cooking, Am okay with that, but for some

who aren't there are alternatives, use what feels and tastes good to you, it doesn't change the flavor enough where people notice. No matter what you use be sure to use the freshest and best ingredients you can find. It takes the recipe from so-so to **WOW!**

Also be sure the saute pan you use is big enough to hold the sauce it's best to use a covered, deep, wide enough saute pan.

Serve it up in pretty white dinner plates add some festive napkins and you have a restaurant quality dinner, that comes together in 30 minutes, is quick and easy for family weekday dinners and just fancy enough for special occasions.

Serve this delicious restaurant inspired dinner with your favorite bubbly and a crisp green salad for a romantic Saturday night dinner or Holiday meals with family and friends...
