Summertime Spaghetti dish

Bruschetta

I love a delicious bowl of pasta full of fresh summer garden ingredients.

My Summertime bruschetta spaghetti dish recipe is flavored with just picked cherry tomatoes, fresh mozzarella, and fresh herbs, these ingredients when combined together produce the most delicious creamy sauce.

Sometimes the best and most delicious recipes are the simplest. The most important ingredients are always to use the best what's in season whether homegrown or store bought!!!!

A few tips when making this Summertime Bruschetta spaghetti dish

The main ingredient in this Summertime Bruschetta spaghetti dish recipe is tomatoes. So whether your using homegrown or store bought it's important the use the best quality you can find.

Just as important as the tomatoes how you start your saute makes a difference In this pasta recipe I use a good quality extra virgin olive oil.

And lastly fresh mozzarella adds the creamy texture and the pasta water is the secret ingredient the brings it all together. I always save more pasta water than the recipes calls for in case the sauce is too dry.
